Digital advertising

The Japan Times Online (www.japantimes.co.jp)

Web advertising menu

● PC

Top page and article page

● Mobile

Article page only

1 First rectangle PC

An ad displayed in the upper right column when The Japan Times Online is opened. It is generally the area first seen by the viewer. This ad draws more viewers by using a banner that is more than twice as large as our default web ad.

2 Second rectangle PC

Default size ad. The display position will be lower than the first rectangle, but more affordable.

3 Header banner PC Mobile

This ad is displayed prominently above the content in both the PC and mobile versions. Billboard size is larger than regular, giving it greater impact.

4 In-text rectangle Mobile

An ad displayed below the second paragraph of a story on the mobile version of JTO. Has a major effect on readers since it appears in the middle of an article.
